JULY 2004

JULY MEETING

The July meeting will be held Saturday July 10 at 10 AM at Galt. **Michael Stanard** will be there to brief us on *Flyers and Tires '04*. We'll be flying Young Eagle flights from 11 to 4 PM and will welcome all that would like to help.

MINUTES OF JUNE MEETING

NAME BADGES have arrived. We have a "badge bulletin board" where you can park your name badge if you would rather leave it in the Chapter building than take it home. If you don't have a name badge, advise Michael Dean and he'll order one for you.

CHAPTER ELECTION for Secretary and Treasurer. Volunteered for the nominating committee: **L. Dagley, J. Hill, Sr. and M. Krohn.**

VOLUNTEERS arranged the set-up and tear down of the Chapter tent for the Big Foot Fly-In.

INTERESTING AIRCRAFT are needed for *Flyers and Tires*. All members are asked to offer personal invitations to their friends and acquaintances that fly interesting sport, antique, or other eye-catching aircraft. Pilots and crew of such aircraft will be given free admission and meal chits. Please give it some thought – we need your help on this one.

VOLUNTEERS NEEDED to set-up and take down the tent Wed. July 7th and Sun. July 11th for the Studio at One Zero Charlie Associates Picnic. Contact Greg Donski gregsr@stans.net or John Roach planejohn@aol.com for details.

OSHKOSH AIRVENTURE '04

John Roach invites all EAA 932 members attending Airventure '04 to join him for a spaghetti dinner Friday July 30th after the air show at his campsite. John can cook, as all who attended the OSH work weekend will attest! John would like to have an idea of how many to expect, so if you think you can make it, drop him an e-mail at planejohn@aol.com before he leaves for OSH July 25, then he'll know about how many to plan for. BYOB and some before dinner munchies, if you'd like.

To locate John's campsite, check the message board by the red barn store in Camp Schoeller after Wednesday the 28th.

THREE RETIRED PILOTS by JHsr.

Oscar: "I used to eat all natural foods until I learned that most people die of natural causes."

Foxy: "We can use the preservatives, anyhow."

Papa: "Health nuts must feel kind of dumb when they realize they're lying in the hospital dying of nothing."

OSHKOSH WORK WEEKEND 2004

Four flew up and two drove, eleven in all. Larry Dagley, Michael Dean, Greg and Ted Donski, Scott Feeman, Jim Fellers, Jeff Hill Sr, Steve Mark, John Roach, Dave Spitzbart, and Jack Weiss. Friday evening, John Roach treated the group to a steak fry with all the trimmings. A couple camped out but most of us stayed in the volunteer's bunkhouse.

It looks like we spent most of the time in the chow hall. They fed us three hot, home cooked meals each day.

"Oshkosh" without planes and people

We did a wide variety of jobs. Paneling the new Home Builders HQ, putting up some of the 700 odd signs, finishing the deck atop the FAA Pavilion, making newspaper dispensers – even mowing hay! EAA founder Paul Poberezny found time to thank each of us for coming.

They turned us loose at Pioneer Airport after closing Sat. Steve Mark won a \$50 gift certificate in the raffle.
